Grew and*

Our first high school, which was located in the Second Ward School Building on the corner of Adams and Quincy Streets, was occupied jointly by the Normal and public school. The year was 1872.

Foreword

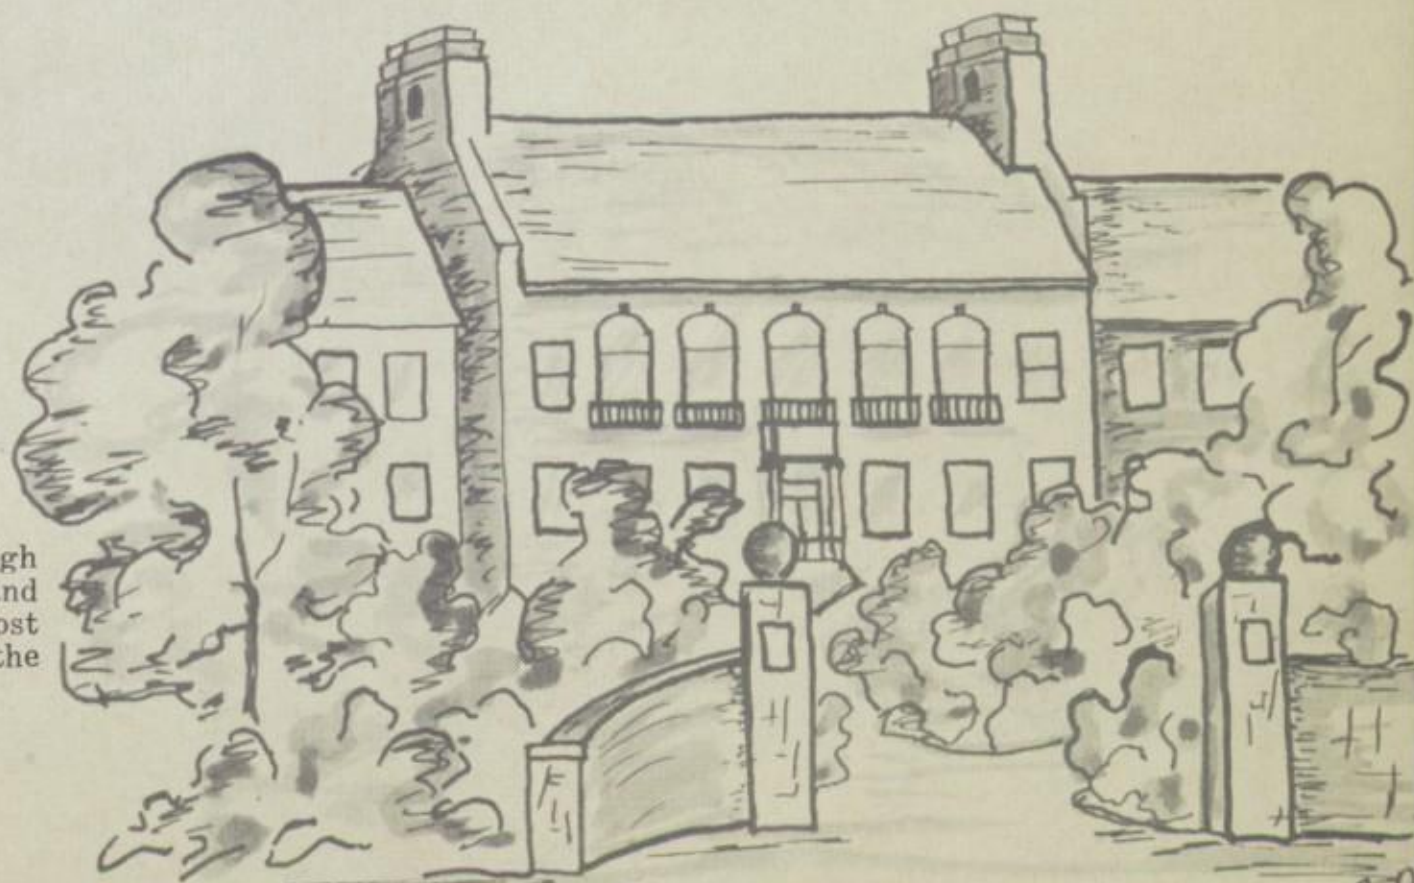

We, the members of the Junior Class, have attempted in this 1957 Maple Leaves to give you, our readers, a colorful and pictorial review of our past school year. We have taken as our theme, "Memories and History Of Our School." May we all, as we pursue this book in after years, experience anew the thrills, enjoyment, and pleasures we have had this past year. In compiling this year book, we have enjoyed the experiences which it affords.

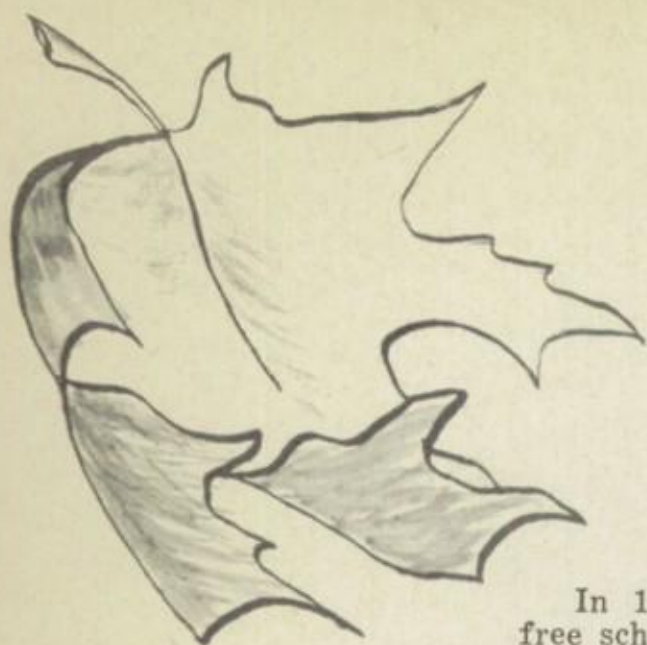

Grew and Grew

Our school was later moved into this new building which had 12 class rooms, labs, offices and a library. The top floor was used as a gymnasium. The year was 1906.

Our present Fairmont Senior High School was occupied in 1929 and was then as now called the most modern and beautiful school in the county.

Through the Years . . .

(*A History of Our School)

In 1864 the first public free school in Fairmont was opened. The schools then were ungraded and the term was only three months. There was no special school building, so rooms in different parts of town were used. Schools were graded in 1865 and placed under the supervision of Colonel J. C. Lininger. The term this year was six months, and four buildings were used as schools.

In the summer of 1866 the board of education purchased the brick building at the corner of Adams and Madison Streets for a school. Professor A. S. Cameron of Connellsville, Pennsylvania, was chosen as principal. He had four assistants and the enrollment was nearly 200.

In 1867 the legislature located one of the State Normal schools in Fairmont and provisions were made whereby the pupils of the district could be formed into model training schools, for the benefit of the Normal students; and the principal of the Normal School, by virtue of his position, was the superintendent of public schools.

OUR FIRST BUILDING

A building, known as the Second Ward School Building, was erected in 1872 on the corner of Adams and Quincy Streets to be occupied jointly by the Normal and public schools. The graded schools occupied the first floor; the normal, the second and third.

The plan of the grade schools' serving as model schools for the Normal continued until 1875, when the public schools were entirely separated from the Normal department. In 1876 Professor Thomas G. Miller became principal and under his supervision the foundations of the present system of education were laid.

In 1877 the first class was graduated from Fairmont High School in the Second Ward Building.

In 1893 the Normal School was moved to its new location on Fairmont Avenue leaving the Second Ward Building entirely to the high school.

In 1900 the graduating class was composed of nine girls and one boy. Enrollment had increased to the extent that it was necessary to employ an additional teacher. The faculty now consisted of four members including the principal.

OUR SECOND BUILDING

By 1905 the need for a new high school was evident as enrollment had increased and facilities were inadequate. Bonds were issued amounting to \$500,000, and plans were launched for a new high school. The "Point" at Fifth Street and Benoni Avenue was chosen as the site of the building.

The new building was completed in 1906 at the cost of \$80,000. It consisted of a principal's office, library, twelve class rooms, physics and chemistry laboratories. The top floor was used as a gymnasium; the basement, for manual training and storage. This building housed the Fairmont High School during the years 1906 to 1929 when it was given over to the Fairmont Junior High School.

FAIRMONT SENIOR HIGH SCHOOL

In 1927 it was decided to adapt the 6-3-3 plan of school organization in Fairmont. If this were to be done, an additional building was necessary to house the senior high school. After several months of debating, plans were made to build a new school in Loop Park, a picturesque site of 11 acres, which had been purchased by the school board in 1923. Actual construction began in January 1928, and was completed by the spring of the following year, with the class of '29 being the first to have its graduation exercises in the institution.

This new building, one of the most modern and well equipped in the state, has an auditorium, seating 1100, a little theatre, a library and a gymnasium with ample facilities for both boys and girls. The home economics department consists of the latest kitchen, sewing, and house-keeping equipment. The commercial department offers all facilities for instruction in typing, bookkeeping and office practice. Included in the boys' shop are mechanical drawing, wood-working, auto-mechanics, and building trades. A modern telephone system, within the building, and bells controlled by electricity provide rapid communication and change of classes.

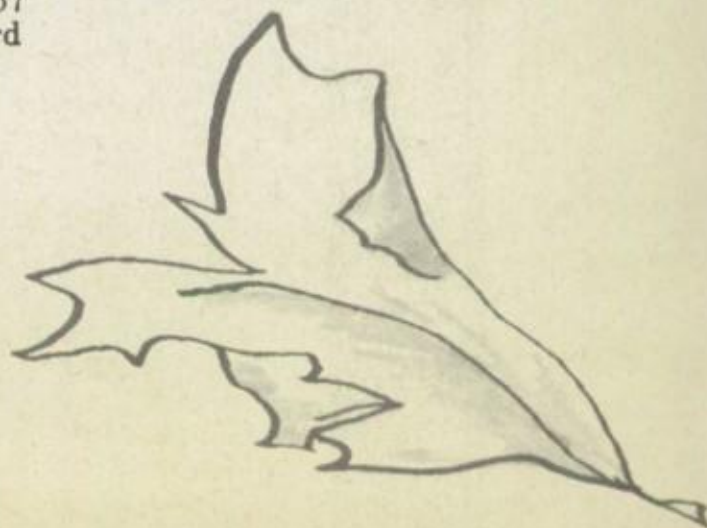

The total cost of the building was \$491,313.69, supported by bonds sold in 1927.

TODAY AND THE FUTURE

Today our school continues to grow. Our enrollment is now almost 700. There are 28 members on our teaching staff including our principal, librarian and office secretary.

History is recorded with each departing class. Each year brings new faces, new activities and new interests . . . all become part of the school and part of us. The past will remain in happy, joyful, and sometimes tearful, memories. To the future we look with renewed strength and vitality. Our dreams of today will perhaps become the realities of tomorrow. Through the years . . .

1864—Three teachers were employed in the city of Fairmont.

1900—Enrollment had increased to the extent that it was necessary to employ an additional teacher. The faculty now consisted of four members including the principal.

1905—Another teacher had been employed. At this time salaries of the faculty ranged from \$1,350 per year for the principal to \$810 and \$585 for the teachers.

1910—This year the faculty increased to 13 members.

1929—With the transference of the high school to our present building a larger teaching staff was required. There were 30 members on the faculty this year.

1957—Today our school has 29 faculty members including the principal, librarian and school secretary.

*We point with pride and admiration to three of our teachers who have been at Fairmont Senior High School since 1929. They are Mrs. Edna Miller Copeland, Miss Ivy I. Hustead, and Miss Mildred Pickerill.

Seniors

Senior Class Officers

Left to Right—Secretary, Emily Springston; President, Jerry Kendrick; Vice President, Preston Boggess.

Through the years . . .

- 1877—The first class graduating from the Second Ward Building had four members. Since the diplomas had not yet been printed, this class received only certificates.
- 1878-79—There were no graduating classes.
- 1880—Only one girl was graduated at this time and those who had been graduated in '77 received their diplomas.
- 1900—The graduating class was composed of nine girls and one boy.
- 1908—Blue and white were adopted as the school colors and have remained the same since.
- 1914—A new system of organization in the school was begun with the home room and group system being inaugurated.
- 1957—Many changes have been made since the days of our first and early schools. Today, at Fairmont Senior High School there are approximately 200 seniors graduated each year.

IN MEMORY

The entire student body of Fairmont Senior High School extends their deepest sympathy to the parents of George Mercer, Jr., of 1013 Carleton Street who died so tragically in an automobile accident November 22, 1956.

George was born June 27, 1940 in Fairview. He attended local elementary schools and was a member of the Junior Class at Fairmont Senior High. He was for several years a newspaper carrier for the local Fairmont Times. His presence will be sadly missed by the student body as well as his numerous friends.

Student Council Makes Several Changes

This year there were many changes made in our Student Council. The name was changed from Student Government to Council because the Council felt they weren't to govern the student body, but to council them. The Student Council also revised the Constitution of Fairmont Senior High and had new handbooks made for next year's sophomore class.

The aims and objectives of the Student Council are: to allow pupils to participate in or manage extra-curricular affairs; to develop student responsibility, initiative, leadership and school pride; to promote citizenship training; to aid in the internal administration of the school; to provide for pupil expression; and to furnish a working model of government.

This year the Northern Four of Student Council, that is the Student Councils from the four surrounding counties, held their meeting in our school. We chose as our candidate for President of this organization,

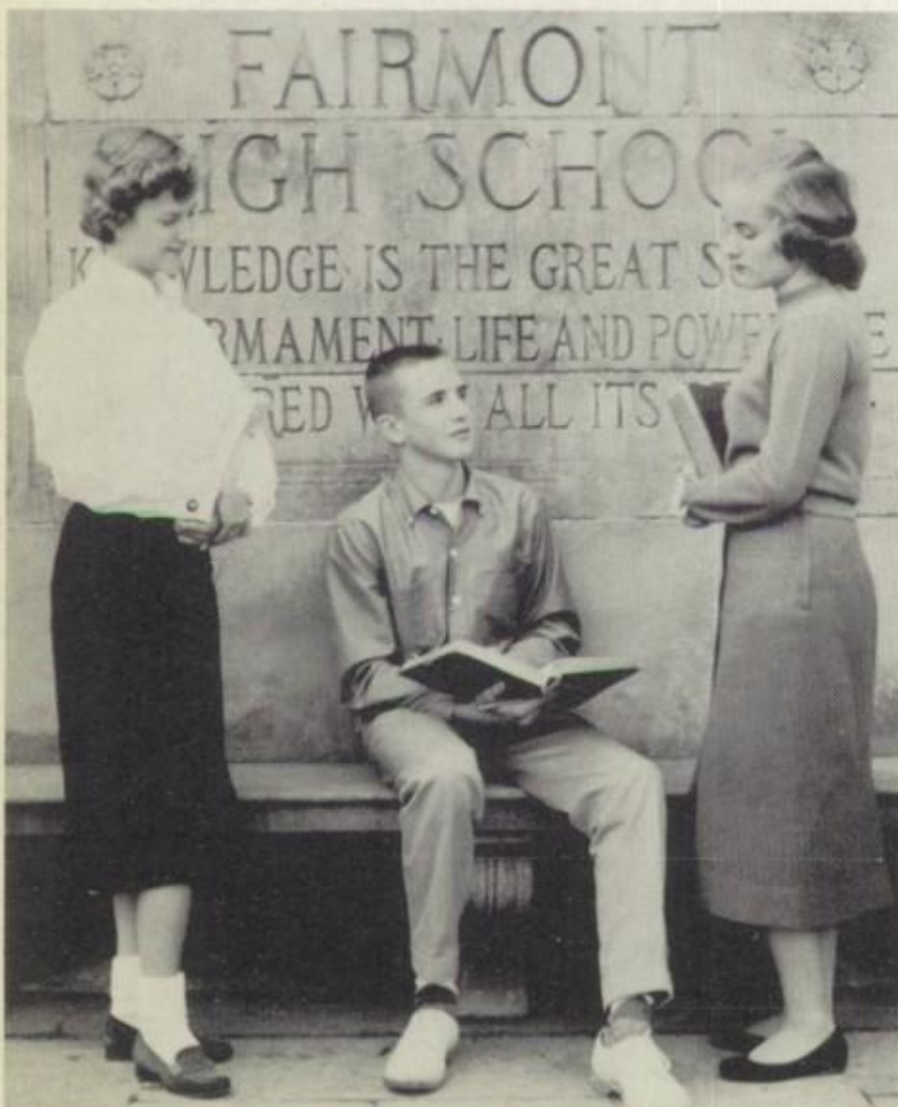

Barbara Hirt, a sophomore. The purpose of this meeting was to interchange ideas about our different student councils and how they operate. Our members brought out the fact that our Student Council is not a money-making organization, as many of the other schools are.

Members of the Student Council are elected by homeroom, class, and student body elections. Each member must have and maintain an average of 85 per cent.

Some of the activities that the Student Council sponsored were several assembly programs, many of which are panel assemblies discussing various school problems, Student Week followed by a Sadie Hawkins Dance and after-game dances.

Student body officers are: President, Bob Evans; Vice President, Nancy Nestor; Secretary-treasurer, Christina Taylor; Program Chairman, Nancy Powell; Student Representative, Connie Miller. Mr. James Latham is faculty adviser.

NATIONAL HONOR SOCIETY

The Ad Astra Chapter of the National Honor Society began in Fairmont Senior High School in 1926. The purpose and aims of this organization are to create an enthusiasm for scholarship, promote leadership, make a desire to render services, and to encourage the development of character in the pupils of Fairmont Senior High School.

The qualifications for membership are based on scholarship, service, leadership and character. Members must rank in the top fourth of their class in scholarship and have spent at least one year at Fairmont Senior High School. The members of the faculty vote for members to be elected.

During the year this club sponsors two assembly programs, has charge of activity record blanks, computes junior and senior averages, has two induction services, and gives the school the Valedictorian's name plate.

This year the club has 10 members. The club provides the National Honor Society seal and members can also purchase individual pins.

Our school can be proud this year, as in the past, of this organization.

living and working together, to serve the school and community, to cooperate with the school principal and to prepare girls for useful citizenship.

To become a member of the Keyettes, one must be outstanding in scholarship, leadership and character. One must have a scholastic average of 85% or above and must be approved by the principal and the faculty adviser, Miss Betty Lou Knapp.

During the year this club works in cooperation with the Key Club to help on community service drives and other worthwhile projects for the betterment of our school. During the year the combined Keyette and Key Clubs present a minstrel show and have charge of the Christmas Formal.

The motto of the Keyette Club is "We Work For Progress." Club Pins can be purchased by individual members.

The Library Club was organized in 1954 to fill the needs of those students who liked to read and discuss good books, who wanted to learn library skills, and who wanted to further their interest in library work. This year there are 19 members. Pictured at top left are: First Row: Dick Geldbaugh, Beverly Decker, Betty Martin, Jean Vercammen, Dianne Tucker, Carol Spadafore, Carolyn Lavorata, Betty Testa, Stephany Sandor. Second Row: Susan Shaw, Martha Hunsaker, Patty Courtney, Anita Vincent, Helen Estep, Frances Estep, Elizabeth Ann Poling and Sally White.

Many of the Library Club members work regular hours in the library each day, checking in books, typing date due slips, mending books, reading shelves, doing reference work and filing materials. Pictured in middle picture: Betty Testa, Carolyn Lavorata, Elizabeth Ann Poling, standing. Around table are Carol Spadafore, Diane Tucker, Stephany Sandor, Anita Vincent and Jean Vercammen.

The Stage Crew sets the stage for all performances, both school and community ones, held in our school auditorium. They take care and regulate all stage equipment.

The club was first started in 1948. This year there are 19 members. To become a member of the stage crew one must apply by application, which is approved by Miss Lucile Jenkins, adviser.

Stage Crew members must be interested in this type of work and must be willing to work extra hours outside of school.

David Meisel is stage manager, and Gary Close is assistant manager.

Pictured at right: Members of the stage crew set stage and turn on the lights for one of the many programs presented to our student body. Gary Close, junior, is working the lights. During the year we see several good professional programs. At bottom right this young couple put on a very fine show with their many talents.

The National Thespian Society was founded in 1929 in Fairmont at Fairmont State College by Dr. Paul Opp, Dr. Carl W. Bloom and Ernest Bavely. Our very active group is Troupe 2.

The aims of the Thespians are to develop a spirit of active and intelligent interest

in dramatics among high school students, to provide rewards for excellent performances in high school dramatics, and to develop appreciation of the theatre, motion picture, radio and television.

All members must achieve 10 points according to a point system set up by the National office. This year the club has 30 members.

Their activities during the year are an initiation banquet, and occasional one-act plays for assembly programs.

The Club motto is "Act well your part; there all the honor lies." The seal—comedy and tragedy masks—is in the form of a pin and can be purchased by individual members.

The Masque and Gavel is an honorary society of which our school is a charter chapter. It was founded in 1940-1941. The purpose of this society is to recognize and promote significant student achievement in an area high school.

Membership to Masque and Gavel is by

recommendations from the faculty based on oral work in class.

The members sponsor "Better Speech Week" and make the student announcements over the public address system every morning during home room period. Membership this year totals 31 students.

The Bible Club was started in our school through popular demand in 1954 and 1955.

The purpose of the club is to discuss the Bible and different religions with guest

speakers. Their aim is to enlarge and continue to be a good club.

To become a member, one must be sincerely interested in the Bible and the faiths of other peoples, and why they believe as they do.

Bible Club meetings are held during the noon hour and a local minister presents the Bible lesson. Approximately 30 meetings are held each year.

This club is indeed an inspirational one, and our school can be justly proud of it. There are 39 members this year.

Founded in 1946, La Tertulia is the club for second year Spanish students who are in "good standing". The club provides a means beyond the classroom for students to know more about Spanish customs, the people and their environment. Meetings are held with activities around Spanish themes.

Some of the traditional activities of the club are the breaking of the Pinata at holiday seasons, singing Christmas carols in Spanish through the halls and representing

Fairmont Senior High School in the county wide Language Fiesta held in the spring at Fairmont College.

"La Tertulia" is Spanish for a group of people gathered for entertainment and conversation. The Spanish One Club provides some of these activities for the first year students.

Le Cercle Francais was organized in 1927 and re-organized in 1954 by the French I and II classes.

The purpose of the club is to learn of

the French Language, the French people and their habits. The members conduct their meetings using the French songs, games, and records for entertainment.

To become a member of Le Cercle Francais, one must be taking a French class or have taken French I. Members must obtain passing grades in class work. This year the club has 67 students in the combined clubs.

During the school year the French clubs present a dance and an assembly program. The club also takes an annual trip to Pittsburgh. The members may purchase pins to signify their membership in Le Cercle Francais.

The Polarettes are a group of girls, interested in dancing. They started dancing together when they were in the ninth grade at Fairmont Junior High School, and this same group became known as the Polarettes in Fairmont Senior High School. They are all members of the senior class and are honor students.

The Polarettes this year danced for assembly programs, the Kiwanstrel, the Keyette and Key Club Minstrel and Falcon Night at Fairmont State College.

Their director is Mrs. Melrose Thomas.

Below the girls are shown in several of their many costumes.

The 1957

Through the Years

The junior class in 1908 initiated the custom of having a school annual. Since the class tree at this time was the maple tree, the yearbook was called "Maple Leaves" and has been published yearly since 1908.

The junior class considers it a great honor to publish this book and through the years has made it an outstanding project for those selected students who qualify to work on it.

The Sophomore Pep Club is a newly organized club, this being its first year in Fairmont Senior High School. It was organized to give our sophomore class a chance to be active by helping our football and basketball teams in the way of cheers and support. They met and held thuses regularly during football season. At the games, the Pep Club was allowed the front seating section where they could help the team to victory with cheers.

All interested members of the Sophomore class are eligible for membership.

The Choraliers of Fairmont Senior High School, one of our most active clubs, provide music for almost all school activities. They perform for many school programs, civic, church and community organizations. This year, as in previous years, they performed

at the Times Christmas Fund Show. The group is directed by Miss Betty Lou Knapp.

The club wishes to further ones interest toward music and its presentation, provide an opportunity for students to display their musical ability other than through class work, provide exchange programs with other schools and present musical programs for our school and community.

When the club first began, its members were all girls, and later it became a mixed chorus which was called the Choral Club. This year there are 50 members in Choraliers. Their motto is "Music Is Fun For All." They are given club membership cards.

To qualify for Choralier membership one must have an interest in music, be willing to devote sufficient time for additional practices, have had previous musical training, and to add something to the advancement and improvement of the organization.

Our school would not be complete without the wonderful 75-piece band that we have. They help to make our school one of the best and everyone is proud to see them

march onto the football field or in a parade. Mr. Earl W. McConnell is band director.

To become a member of the band, one must have a high rating of musical knowledge and be able to demonstrate his or her use of an instrument. One must have a good scholastic standing and be a good citizen.

Besides performing at games, the band presents a concert of the combined junior and senior high school bands in the spring. They sponsor a Tag Day in the fall and sell band boosters in the early spring. This year, the band entertained the student body at these meetings and at our Christmas worship program at school. They also took part in the Regional Band Festival which was held this year in Fairmont.

Around School

This attractive bulletin board display on the second floor drew the attention of the students as they passed each day. The display was put up by the library staff during Thanksgiving week.

This line is about the longest one in school. It is the cafeteria line showing the many students as they wait their turn for that wonderful "home-cooked" food that only Mrs. Dickerson, our cook, can prepare so well.

These students are happy . . . they have reached the end of the line where Miss Pickerill and Miss Brown take their money. Now they can sit down and relax. Our cafeteria serves on the average of 165 students each day.

Our school would not be complete without that certain group of seniors who help Mrs. Betty Eddy, secretary, in the office. Pictured at left are: Shirley Stickley, Lois Howard, Ann Rosier, and Carol Jenkins. These girls collect the absence slips each period, do typing and filing in the office and other odd jobs.

Parents' Night

The annual Parents' Night at Fairmont Senior High School was held on November 20 at 7:30 p. m. The program began in the auditorium with the Chor-
aliers singing Thanksgiving songs.

Bob Evans, President of the Student Body, thanked everyone for coming and emphasized how important it was for the parents to attend this program. Mr. Malcolm explained the importance of each student's regular attendance and the duties of the attendance committee.

The following sponsors of various organizations explained their objectives and requirements for membership: Miss Ivy Hustead, National Honor Society; Miss Lucile Jenkins, Masque and Gavel Club and the National Thespians Society; and James Latham, Key and Keyette Clubs. Parents were then invited to meet the teachers and have refreshments in the cafeteria.

Pictured at right: Top page: Parents wait in auditorium as program is presented. THROUGH THE YEARS

Athletics were introduced in 1907, with football and basketball making up the curriculum.

Physical education for girls was added to the list of subjects offered in 1913 and has grown in importance until it is now required for graduation.

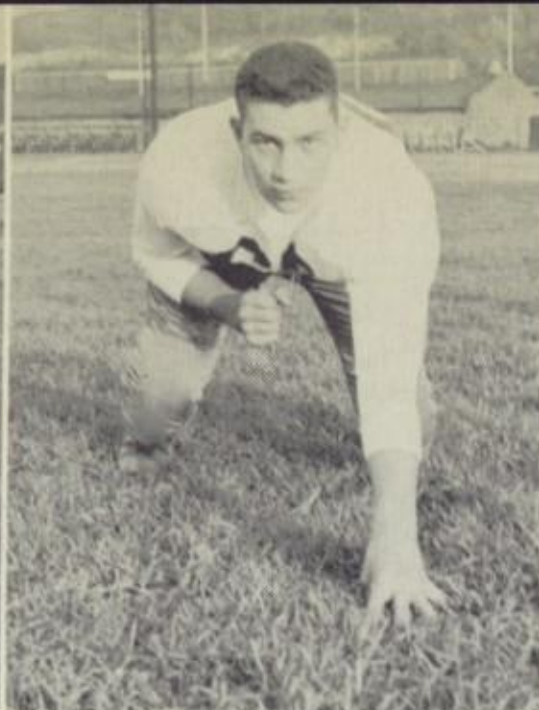

Today our chief athletic activities include football, basketball, golf, tennis, wrestling and track.

The Games

FAIRMONT WEST 19

FARMINGTON 7

First Game

The Polar Bears got off to a good start this season by downing the Farmington Farmers 19-7. The first score of the game was made by Fairmont's Frank Brown with Mike Hall kicking the extra point. Farmington's lone touchdown was made in the final period. Fairmont then pulled ahead with touchdowns by Hall and Davis and thus won the game.

FAIRMONT WEST 19

CLARKSBURG NOTRE DAME 7

Second Game

The Bears won this game by a score identical to that of the previous week against Farmington. Fairmont took the opening kickoff and marched 69 yards to score on a 12 yard pass from Mike Hall to Larry Drake. The Stripers struck back to score their lone touchdown. Mike Hall and Bobby Lowe carried alternately down to the Notre Dame one where Hall scored on a quarterback sneak. The Bears used only 5 plays to sew up the game in the third period. Lowe took a handoff from Hall and galloped 15 yards for the final touchdown of the game.

FAIRMONT WEST 14

SHINNSTON 7

Third Game

The Polar Bears made it three in a row by coming from behind to score a 14-7 upset over Shinnston. The first half was a defensive battle with neither team being able to get inside of the other's 10 yard line. Three fumbles let Shinnston score. After several battling plays, Hall threw to end Jim Weaver who dived across the goal line. Hall's kick tied the score. Shinnston lost the ball on downs and the Polar Bears moved to victory when Hall passed to Van Meter, who was open on the 15 and went all the way. Hall's extra kick was good, giving Fairmont the needed margin for the win.

FAIRMONT WEST 12

GRAFTON 22

Fourth Game

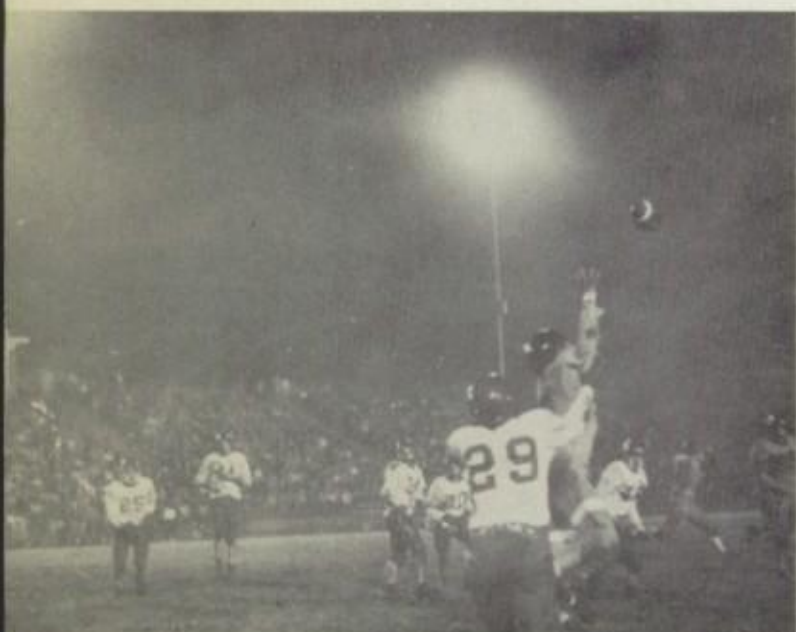

The Grafton Bearcats, class AA champions, handed the Polar Bears their first defeat. Grafton scored first making it a 7-0 first quarter lead. Both of the Bear's touchdowns came in the second quarter with sophomore Frank Brown carrying the ball. At half time the previously unscored upon Bearcats trailed 12-7. In the fourth quarter Grafton scored first on a drive that began on their own 20, and later scored again to put the game on ice.

FAIRMONT WEST 20

VICTORY 13

Fifth Game

The Polar Bears won this game by downing the Eagles of Victory 20-13. The Bears took the kickoff on their own 29 and a few plays later, Dunscomb scored. After the kickoff both teams fumbled once, but an interception by West started a drive that ended with Frank Brown scoring a touchdown. Another interception by West put the ball on the Victory 27 and Brown scored again on the first play. In the second half Victory scored with a 70 yard pass play after the kickoff was forced to punt. John Vacheresse blocked the kick and recovered in the end zone for a safety. The Eagles drove to the West 4 and went over to score.

FAIRMONT WEST 27

MANNINGTON 14

Sixth Game

The Bears avenged last year's upset by downing the previously undefeated Big Green to the tune of 27-14. Early in the game, Jerry Kendrick broke through to block a punt and recovered inside the Mannington 30, but West was offside on the play. The break allowed the visitors to keep possession and drive for their initial touchdown. Fairmont knotted the score on the next series of plays when Frank Brown raced 22 for a touchdown. The Bears came back early in the third period with Hall and Brown both scoring twice. Mike Hall converted on three out of four P. A. T. tries.

FAIRMONT WEST 26

ELKINS 34

Seventh Game

Elkins' hard running attack resulted in the 34-26 defeat of the Bears. Elkins scored three touchdowns and extra points in the first half alone. Early in the second half the Bears drove 67 yards for a T. D. with Carvillano scoring. Drake scored for West's second T. D. Hall's kick was not good. Elkins then scored again. Drake ran the next kickoff all the way for another West T. D. Elkins scored again on a 3 yard pass play. West's final touchdown came on a pass play from Hall to Brown. Hall's kick was good and this climaxed the game's scoring.

FAIRMONT WEST 20

WASHINGTON IRVING 0

Eighth Game

The first half of this contest was completely dominated by fumbles. Both teams were in position to score, but neither one could dent the other's goal line. The Hilltoppers received the second half kickoff and quickly drove into West Territory where Don Van Meter recovered a fumble, and the Bears commenced to move in the opposite direction. Two plays later, Larry Drake sprinted 40 yards to score the first of three touchdowns. When the game ended, the Fairmont reserves were threatening to score again. The Bears held a wide margin in statistics. They led the Hilltoppers 289 to 131 in net yards gained.

FAIRMONT WEST 13

MORGANTOWN 13

Ninth Game

In this game Morgantown completely dominated the first quarter. The Mohigan's Edwards electrified the crowd when he returned the opening kickoff to the West 33. Five plays later, Morgantown scored. They recovered a fumble on the ensuing kickoff and drove 45 yards to score again. A 53 yard jaunt by Terry Dunscomb set up the first Polar Bear tally. The Bears rallied again in the last period when Dunscomb spearheaded a drive to the Mohigan 16 and Mike Hall burst through the center on a sneak to score. Frank Brown ran around end to tally the all important extra point.

FAIRMONT WEST 46

FAIRMONT EAST 0

Tenth Game

The Polar Bears ended their football season by defeating Fairmont East 46-0. Taking advantage of an early fumble, the Bears' Frank Brown scored the first T. D. Hall's kick was good. After a 61 yard march, Terry Dunscomb scored from the one. Again Hall's kick was good. West dominated the second half of the game with touchdowns by Anthony Carvillano, Bill Garrett, Frank Brown and Bob Lowe. After the last kickoff there were three intercepted passes, two by East and one by West. The win gave West their twenty-second of the series.

Basketball Team Has Successful Season

First Row: Joe Monell, Ronnie Everhart, Herb Fetty, Mike Hall. Second Row: Joe Trisani, Joe Pachuta, Barry Wilt, Jim Caputo. Third Row: Jim Weaver, Charles Terry, Joe Brown, Raymond Terry.
